

## **King's Duck Solution**

### **Product Technical Data Sheet**

**Product Code: 41-KINDUC-01**

#### **Product Description**

*King's Duck Solution* is a liquid, non-toxic duck repellent. The product is made of natural oils, herbs & spices and ducks cannot stand it.

#### **Uses**

Ducks can be a huge pest for pond and dam owners, duck waste is full of nutrients and other nasties that can lead to issues down the track. This product can be easily placed around the waterbody to help prevent visits from the ducks.

#### **Ingredients**

Natural oils, herbs & spices. Non-toxic.

#### **Dosing and Application**

Apply the product across various areas around the waterbody – apply liquid over tiles, bricks and other paved areas. DO NOT apply into the water or directly on to the soil.

It is recommended to re-apply in an extended dry period of 3-5 days.

#### **Storage**

Store in a cool, dry location in original packaging. Seal well.

#### **Safety & First Aid**

You should call The Poisons Information Centre if you feel that you may have been poisoned, burned or irritated by this product. The number is 13 1126 from anywhere in Australia (0800 764 766 in New Zealand) and is available 24 hours a day, seven days a week. Please refer to the MSDS for detailed actions to take if the possibility of poisoning is suspected.

## **Disposal**

No special requirements – dispose of packaging thoughtfully.
